

# Congratulations

**Congratulations Karla Danelutti, Hannah Triantafillis and Sophie Hubball on being selected to attend the International Development Program (IDP) Camp in Perth July 18-20, Perth.**

**Sophie Hubball**

**Hannah Triantafillis**

**Karla Danelutti**

## **Tell me about the GA IDP Clinics?**

Gymnastics Australia co-ordinate 2 IDP Clinics per year. The clinics are for 3 days and directly follow the Australian Championships in July and National Club Championships in November/December.

Gymnasts are selected based on their performance on the IDEAL Skills test. All girls who test with Jo Richards are ranked Nationally for their age and performance level. There are a maximum of 100 gymnasts invited from around the country, all aged between 9 - 13 years. Participants for each clinic are selected approximately 6 weeks prior to the respective clinic. The clinics are great fun, a good chance for the girls to mix with 'like minded' kids and work with a variety of High Performance specialist coaches from around the country - including National Coach Peggy Liddick.
